By Carrie Staples

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Carrie Staples (illustrator). 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Yarn Animal Book Series is based on the original hardbound book published in 1976 by Simon and Schuster. The author has taken each chapter and created a separate booklet dedicated to the particular yarn technique addressed in that chapter including all of the pertinent information and patterns for the delightful critters designed for that yarn technique. The author's goal is to provide more economical access to specific techniques and projects for the yarn crafter. What follows is the description from the jacket of the original book. Presenting a Marvelous Menagerie of Yarn Animals in Every Favorite Technique Complete with diagrams, patterns and explicit how-to instructions, The Yarn Animal Book, is the most appealing, endearing collection of animal designs yet to be published, and the perfect introduction to popular needlework today. The animals are arranged by technique in six basic categories, a complete list is available online at There are about 100 marvelous designs and variations presented. From the huggable rya orangutan to the crocheted walrus, complete with crocheted tusks, from...
