

Creating Vibrant Public Spaces: Streetscape Design in Commercial and Historic Districts

By Ned Crankshaw

Island Press. Hardback. Book Condition: new. BRAND NEW, Creating Vibrant Public Spaces: Streetscape Design in Commercial and Historic Districts, Ned Crankshaw, This title shows how to strengthen and revitalize our historic commercial districts and suburban centers, too. Public space and street design in commercial districts can dictate the success or failure of walkable community centers. Instead of focusing our efforts on designing new 'compact town centers,' many of which are located in the suburbs, we should instead be revitalizing existing authentic town centers. This informative, practical book describes methods for restoring the health and vibrancy of the streets and public spaces of our existing commercial districts in ways that will make them positive alternatives to suburban sprawl while respecting their historic character. Clearly written and with numerous photos to enhance the text, "Creating Vibrant Public Spaces" uses examples from communities across the United States to illustrate the potential for restoring the balance provided by older urban centers between automobile access and 'walkability.' In advice that can be applied to a variety of settings and scales, Crankshaw describes the tenets of contemporary design theory, how to understand the physical evolution of towns, how to analyze existing conditions, and how to evaluate the...
