Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tales and Other Verse With this, my fourth volume completed, my verse is placed hi book form. The writing and type setting of these volumes cover a period of twenty years, and the four books contain about nine hundred pages of verse. The time has passed serenely, and to-day, without gratification, regret, or censure to express, I look upon all these twenty years of my life as a person might who has climbed a cloud encompassed hill, beholding no vista beyond, yet, through a rift beneath him viewing his path, where he had known many happy hours. I have worked earnestly, catered to no nobody, have not subscribed to a clipping bureau, nor courted favor of reviewers; have tried many kinds of verse and written some I like to read. All my books were written by me because I enjoyed the occupation; they were placed in type by me for the reason I could not procure a publisher; they were bound as they appear because my pocket book was limited, and for the reason they would not sell they were given away.
