

## Christchurch: The City in Literature

By Anna Rogers, Ian Watt

Exisle Publishing (New Zealand). Hardback. Book Condition: new. BRAND NEW, Christchurch: The City in Literature, Anna Rogers, Ian Watt, 'The city of the plains', 'the garden city', 'the cathedral city': Christchurch has traditionally been characterised by its geography, its horticulture and its Anglican heritage. But Christchurch also has a strong literary pedigree, signalled early on by Canterbury settlers like Sarah Amelia Courage, and later confirmed by the establishment of the Caxton Press and the Pegasus Press, both enlivened by the irrepressible Denis Glover, and by the vibrant theatre associated with Ngaio Marsh. For this wide-ranging anthology, Anna Rogers has selected poetry, prose and fiction that both celebrates and gently satirises the city on the Avon. Novelists James Courage and Steven Eldred-Grigg rub shoulders with columnist Joe Bennett, poet Hone Tuwhare and short fiction writers Owen Marshall and Fiona Farrell. It is a collection that citizens and visitors alike will appreciate and enjoy.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
