## A FAMILY AFFAIR (PAPERBACK)

DOWNLOAD

WALLFLOWER PRESS, United Kingdom, 2008. Paperback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. The family unit has been a central theme in movies since the earliest days of the medium- whether as a locus of domestic bliss, a dysfunctional source of drama, a collection of comic personalities or an inferno of repressed feelings. This new anthology brings the subject into sharp focus, collecting a range of multidisciplinary perspectives that attempt to directly penetrate the questions raised by the role of the family onscreen. Discussing a wide range of contemporary and classic films, from *House of Strangers* (1949) and *Mary Poppins* (1964) to *Superstar* (1987), *The Royal Tenenbaums* (2001) and *Brokeback Mountain* (2005), this study addresses the nature of family values in cinema, and the family nature of the Hollywood production system itself. With a wealth of historical background and contemporary analysis, this volume is a penetrating view of the oldest and most influential social institution as imagined for the screen.
