Also available in hardback. [www.crmoon.com](http://www.crmoon.com) REVIEW ON AMAZON A happily received gift. Its worth the price for one who wants a scholarly while earthy (sorry, couldnt help it) approach to the work. Theres a quiriness about the writing style that is engaging and honest. Im glad I have the book and will reread it as I purchase other books on Goldsworthy where the work is shown via great photography. REVIEW ON AMAZON This is a chatty informational book. It has stories of many artists that have been associated with Andy Goldsworthy in his long career as a contemporary nature sculptor. If you are looking for a personal history this is a book for you. REVIEW ON AMAZON Im no expert on visual art, nor would I claim to be, but I found this to be a useful book, and the only one Ive been able to find about the work of Andy Goldsworthy. The author has taken the time to round up a large amount of varied source material which makes this...
